(7) The proposals of the Director are in brief :-

(1) To appoint Mr S.G. Sastri, now Industrial Chemist on Rs 700 (from 24.10.1927) in grade Rs 400-700, as Dy. Director on Rs 800 without any bonus for Soap Factory duties. (Post of Industrial Chemist to be left unfilled)

(2) To appoint Mr M.S. Krishna Rao, Asst Supdt of Soap Factory drawing Rs 240 from 1.1.1934 in grade Rs 150-15-300, as Supdt of the Factory on Rs 250 in a new grade of 250-20-350.

(*) He seems however to be entitled to get Rs 255/- from 1.1.35 in his present grade of Asst Supdt.

(8) Re:(1), it is submitted that the proposal does not seem to involve any material additional cost, as Mr. Sastry in his present post could get Rs 700 p.m. + a bonus of Rs 1400 p.a. (when profits go above Rs 50,000 as in recent times), and he is proposed to be given a consolidated pay of Rs 800 without bonus.

(9) Re:(2) the proposal involves the creation of a post of Supdt on 250-20-350 in lieu of one Rs 150-15-300 on the assumption that the post of Asst Supdt will not be filled up. The immediate extra cost however, will not be much.

10) The proposal to appoint Mr S.G. Sastry as Dy Director may be approved. There is an increase of pay in this proposal amounting to about Rs 100 a year.

11) In the case of Mr M.S. Krishna Rao he has been drawing Rs 240 from 1.1.36 (accumulative civil list) and the new grade does not benefit him until about Nov 1936. He loses Rs 10 a month immediately he may perhaps be continued in the present grade for some time.

12) The Director has not referred to the additional duties now given to the Director nor his powers of sanction and disposal. This will be called for later after the main point is decided.

13) It is not clear whether the proposed arrangement is permanent or temporary.

Final Note by the First Member of Council. 7

Subject:—

25) Appointment of Mr. S.G. Sastry, Industrial Chemist, as Deputy Director of Industries and Commerce as a temporary measure and consequential arrangements.

N. The Director of Industries and Commerce has submitted the following proposals in order that he may be relieved of office routine and may be enabled to concentrate on the larger problems of the Department and of the several large industrial concerns under his control:-

1. Mr. S.G. Sastry, Industrial Chemist, to be appointed as Deputy Director of Industries on Rs.800 per mensem, without any bonus for Soap Factory duties, half his pay being debited to the Soap Factory as hitherto and the post of Industrial Chemist to be left unfilled for the present;

2. Mr. Sastry to continue to be responsible for the technical work in the Soap Factory and the Industrial and Testing Laboratory in addition to his other duties as Deputy Director;

3. Mr. M.S. Krishna Rao, Assistant Superintendent of Soap Factory, to be appointed as Superintendent of the Factory on Rs.250 in a new grade of Rs.250-20-350.

Page 3 of Minute. Mr. Sastry in his present post has been drawing Rs.700 per mensem plus a bonus of nearly Rs.1,400 per annum. His proposed appointment on Rs.800 without bonus does not therefore involve any material additional cost. In the circumstances, I am of opinion that Mr. Sastry may be appointed as Deputy Director as proposed, the latter new post being regarded as temporary and personal to him. The recommendation regarding Mr. Krishna Rao may lie over for the present.

Page 5 of Minute. The above proposal has been concurred in by the Dewan and the Second Member of Council and may be graciously sanctioned.
